

PAVLOS NIKOLAOU

PHOTOGRAPHER

PROFILE

A professional photographer since 2002. I specialize in Food, Architecture, Products, Fashion, Jewelry, Wedding, Events and Lifestyle photography, on location and in the studio.

I also execute various kinds of photography of post-production activities to deliver excellent creative outcomes. For example:

- People: skin smoothing, blemishes removal, body shape corrections, hair work, color corrections, etc...

- Architecture/interiors: blending multiple frames into one image, HDR, exposure and geometry corrections, adding lighting effects, color adjustments, cleaning surfaces, adding or removal of different parts of the image.

- Products: subject isolation and putting on white or any other background, surface smoothing, removing spots and other imperfections, color, and other adjustments.
